

Three Core Activities

of the Izumo Chamber of Commerce and Industry

The Izumo Chamber of Commerce and Industry represents approximately 50% of the businesses within the former Izumo city area, totaling around 2,200 member companies. Together, we work towards regional development and the advancement of commerce and industry.

1 Advocacy and Policy Proposals

We gather the voices of our member companies and actively advocate to the government and political entities, not only on behalf of our members but for all small and medium-sized enterprises, to ensure they can maintain their vitality and operate smoothly.
